SOUTHERN BAROSSA MEN'S SHED

The Men's Shed is a concept which is growing in popularity and increasing in number in Australia and around the globe. It provides an outlet for men, much in the same way that the backyard shed has in Australian culture over many years.

The Southern Barossa Men's Shed (SBMS) extends a welcome to men from all walks of life to attend our Shed. Without a strict format we foster fellowship and emphasise the importance of men enjoying the activities, feeling a sense of belonging and being part of a relaxed non-pressured group. We encourage anyone who simply wants to turn up for 'a cuppa' and socialise while others may want to tinker, mend or create in the well equipped workshop.

If you are curious to try new things someone is always on hand to help out. Making or repairing furniture or homewares or toys,

mending and fixing motors, renovating bicycles, arts and crafts, all examples (but certainly not the limits) of the activities that can be undertaken at the Shed depending on the knowledge and skillset of the members. Projects and activities are also undertaken which benefit the community.

Men with an interest in the activities of the SBMS are welcome to attend on Tuesdays and Wednesdays between 9am-1pm. at the rear of Wirraminna Little Shop of Treasures on Queen Street, Williamstown.

The AGM for the Southern Barossa Men's Shed will occur on Wednesday 27th March in the meeting room.

Any enquiries relating the shed, membership or the hire of the meeting room (attached to the workshop) can be directed to Glen Venning on 0409 675 937.

LYNDOCH CFS

THANK YOU, RAA

Recently the final three Brigades in the Barossa CFS Group completed their training in Advanced Resus and Casualty Care. This means Lyndoch, Concordia, Williamstown, Mount Pleasant, Springton and Eden Valley Brigades all carry Oxygen Therapy Kits to administer oxygen, perform CPR, maintain airways and apply tourniquets.

Having this initial training was good, but we need to train on a regular basis to maintain a high skill level. The only problem was we needed additional training equipment, and our current budget didn't allow for the purchase of training QCPR Manikins and Tourniquets.

So, we applied to the RAA Regional Safety Grants Program, and I was so surprised when I received a call from Emma to say that they would gladly pay the invoice to support the six Brigades in the Barossa CFS Group.

Thanks to Emma and Radhika from the RAA Events and Community Board, who came up to the Barossa to deliver the grant cheque and spend the night with the Lyndoch Crew to watch them perform CPR with the new manikins THANK YOU

LYNDOCH HISTORICAL SOCIETY

The photographic records held by the Lyndoch Historical Society are in the process of being checked and recorded. There are always some that are not definitely known – like the one below.

The Historical Society is seeking identification of this photograph. It is thought to have been taken during the first Gemutlichkeit on Monday 11th April 1977 held on the Lyndoch Oval.

Rebecca Rosenzweig in her book "A history of the Barossa Vintage Festival" in reference to the Gemutlichkeit states *With German food, German bands, performing German shepherd dogs, pony rides, hay rides, and rides for children including in a little cart which was pulled by German Rottweiler dogs were some of the entertainments on offer in 1977.*

The next meeting of the Society will be held on Sunday 28th April at 2.00 p.m. in the meeting room at the rear of the Lyndoch Library. The topic for the occasion will be "Lyndoch in 1914" and the declaration of World War I that occurred in August of that year.

It is intended to mark the 110th Anniversary with the display of white crosses in the memorial garden in honour of the local Anzacs from the Lyndoch area.

Step into the spotlight and celebrate excellence with the **Southern Barossa Business Awards!** As the premier event recognizing outstanding achievement within the local business community, these awards are a testament to the vibrant entrepreneurial spirit thriving in our region.

To be eligible for consideration, businesses must be members of the Southern Barossa Business Group and have their roots firmly planted within the Southern Barossa area. With a diverse array of businesses shaping our community, from cozy cafes to every trade you can think of, the awards honor those who exemplify excellence in their respective fields.

There are already in excess of 80 nominations, but there's still time to shine a spotlight on your favorite businesses as nominations and voting remain open until April 16th.

Whether you prefer the ease of online voting via the provided link or picking up a paper voting form from the Lyndoch Post Office, every voice counts in recognizing the best of the best. Mark your calendars for the eagerly anticipated Award Celebration Dinner on May 29th, where the winners will be unveiled.

On the Grapevine

Stay tuned for further details on ticket availability, dinner location, and more. Come together with fellow business leaders, entrepreneurs, and community members to honour excellence, forge connections, and celebrate the boundless potential of Southern Barossa.

Declutter and Save

The Barossa Council is again offering a kerbside collection service or waste voucher to eligible residents, as part of its popular "Declutter and Save" initiative.

Both incentives require people to **register directly with Solo Resource Recovery by phoning 8295 5077 or emailing adelaide.ops@solo.com.au**, from now until 30 April to secure a collection date or claim a voucher.

Council's hard waste kerbside collection option enables people to dispose of up to two cubic metres of household hard waste material at their kerbside. This service will be available to the first 500 residents from Angaston, Eden Valley, Lyndoch, Moculta, Mount

Pleasant, Nuriootpa, Penrice, Sandy Creek, Springton, Stockwell, Tanunda and Williamstown.

Accepted materials include furniture (excluding mattresses), white goods including fridges and freezers, electronics such as TVs and computers, carpets, gardening equipment, metal and timber. Meanwhile, rural and township residents who are unable to secure a kerbside collection are eligible for a hard waste/green waste voucher valued at \$75.

Federico Arias Mina, Chelsea Broadhurst and Kylie Rosie are getting ready to declutter and save.

Five hundred vouchers will be available on a first-in-first-served basis, to be redeemed at Springton Transfer Station, Eco Waste Solutions, the Yard Clean Up Man and KAND do it. Vouchers are available for domestic waste only, with a range of waste materials accepted depending on the vendor. Vouchers must be used by 30 June, and to make it a little easier, the Springton Transfer Station will be open extra days, including 27 April, 25 May and 22 June. "Just note, only one service is available per financial year," Mayor Lange said. "So, if you chose to claim a voucher during the 'Declutter and Save' promo

tion held late last year, you are ineligible to participate this time. But stay tuned, there are plans for the initiative to return again next financial year." Terms and conditions apply so please visit barossa.sa.gov.au/declutter-and-save.

Lyndoch Recreation Park

Effective Tuesday 26 March 2024 the planning application for the ovals, facilities and other infrastructure developments at Lyndoch Recreation Park have officially been approved.

To facilitate site redevelopment, access to the Lyndoch Recreation Park will be restricted from 2 April, with full site closure commencing 15 April until further notice.

Draft Growth & Infrastructure Investment Strategy

The Barossa Council has released the draft Growth & Infrastructure Investment Strategy and wants the community's valued input. The draft Strategy identifies potential growth options for Barossa's townships, smaller settlements and out of township areas.

Your feedback is critical to inform what strategies and actions are supported and not supported and why.

Visit yoursay.barossa.sa.gov.au to view the strategy, details on how to have your say, complete the survey and the Lyndoch Summary Page. Consultation closes 1 May 2024.
