## SOUTHERN BAROSSA MEN'S SHED

The Men's Shed is a concept which is growing in popularity and increasing in number in Australia and around the globe. It provides an outlet for men, much in the same way that the backyard shed has in Australian culture over many years.

The Southern Barossa Men's Shed (SBMS) welcomes men from all walks of life to attend our Shed, you can participate in a range of activities in the workshop if that is your desire or you can simply turn up for 'a cuppa' and socialise with others in a non pressured setting. The Men's Shed does not follow a strict format but it does encourage fellowship. Projects are also undertaken which benefit the community.

Making or repairing furniture or homewares or toys, mending and fixing motors, renovating bicycles, arts and crafts, all examples (but certainly not the limits) of the activities that can be undertaken at the Shed depending on the knowledge and skillset of the members. There is an emphasis on 'having a go' with projects but

there is no pressure, it is most important for men to enjoy the activities, have a sense of belonging and feel happy in the Shed environment.

Men with an interest in the activities of the SBMS are welcome to attend on Tuesdays and Wednesdays between 9am-1pm at the rear of Wirraminna Little Shop of Treasures on Queen Street, Williamstown.

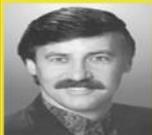

Any enquiries relating the shed, membership or the hire of the meeting room (attached to the workshop) can be directed to Glen Venning on 0409 675 937.

### **The Lyndoch Seeds of Hope Reflection sofa.**

After consultation with representatives from each community sites have been chosen in local parks near creeks in Angaston, Lyndoch and Mt Pleasant. The positions will enable quiet reflection and connection to nature while being easily accessible. Additionally, nature-based themes have emerged from the design workshops held in each region, featuring segments of trees, birds, and fauna common to each area. Sunflowers on the rear of the sofas will link them to Barossa's Seeds of Hope Suicide Prevention Network.

The role of the Reflection Sofas as a symbol in the community is to continue Seeds of Hope Suicide Prevention Network's goal of reducing stigma which is a barrier to people who are struggling to reach out for help. The keys to suicide prevention are connection, education and stigma reduction as well as connecting people to services. A QR code is planned that will link people to help services.

It is hoped the Sofas will be a prompt to ongoing discussions about suicide prevention and a place of solace for those impacted by suicide. The Sofas will be an invitation to reflect and connect

## *On the Grapevine*

and it's hoped they will also become a focal point for International Survivors of Suicide Loss Day, 23<sup>rd</sup> of November when they are due to be completed.

Kristin Wohlers, a local mosaic artist is leading the build and guiding the design and construction of the mosaic elements. Kristin is present to conduct the initial workshops showing everyone the safe use of the tools, how to construct the mosaic element and the design process.

Once the sofas have been built and installed in each area, the mosaics will be transferred to each sofa and grouting will complete the process.

Susan Raven, Maria Ross, Mary Ann Murphy and Jacqui Possingham form the working group who on behalf of Seeds of Hope Suicide Prevention Network are coordinating the project.

Seeds of Hope Suicide Prevention Network is grateful to Black Dog Ride, our major sponsor for this project and for ongoing support from the Barossa Council.

## Lyndoch Group

Lyndoch Red Cross will be holding their next meeting on the 7th August (first Monday of the month) behind the library in the meeting room at 2pm. We would like to encourage any residents who are interested and wish to contribute to the community to attend our meetings.

**If you have any further enquiries please contact Monica Wohlstadt, Group Coordinator on 0403 360 468.**

## LYNDOCH HISTORICAL SOCIETY

A reminder that the next meeting of the Lyndoch Historical Society will take place in the meeting room at the rear of the Lyndoch Library on Sunday 6th August commencing at 2.00 p.m.

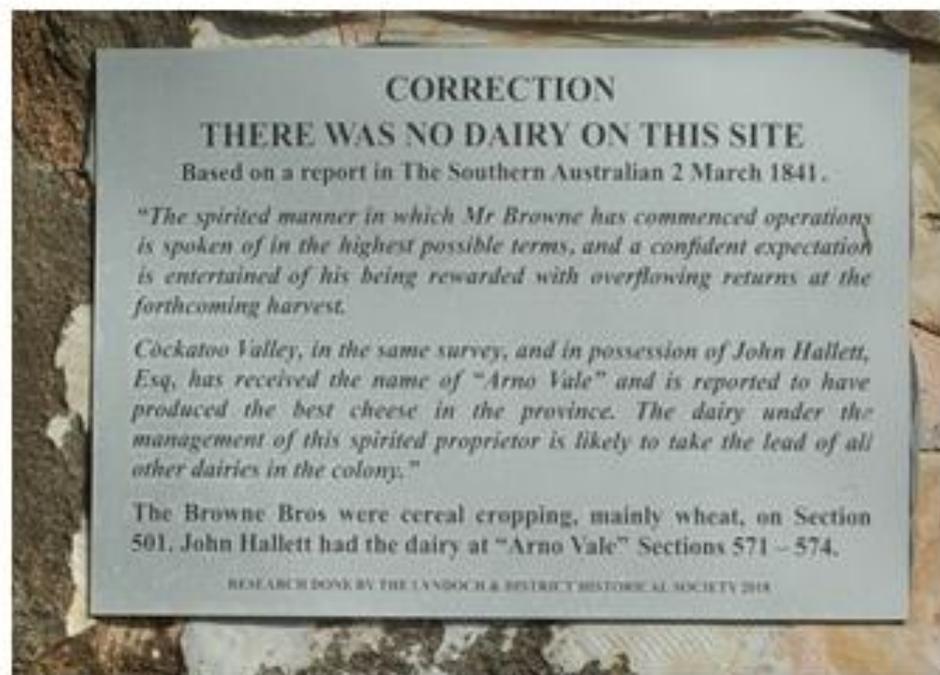

The topic will be Pioneer Park history and the contribution provided by Otto Tepper. It marks the centenary celebration of the District Council of Barossa accepting the trust deed for the Pioneer Park in June 1923 and also the 75th Anniversary of the erection of the cairn and plaque recording the site's history.

### *Lyndoch Pioneer Trees*

*These trees mark the site of the dairy and stockyards of Dr John Browne, the first settler in the district about 1839. The land on which they stand was purchased by J.G.O. Tepper F.R.S. and placed by him in trust of the District Council of Barossa for their effective protection.*

A plaque has been added to correct the error stating that the site was a dairy.

# 1837 BAROSSA

**Our winery 1837 Barossa commemorates the date on which Colonel William Light, founder of Adelaide and first Surveyor-General of South Australia named the Barossa in December 1837.**

The Barossa Colonel Light Monument, a life-size bronze statue of Colonel Light on horseback honours the birthplace of the Barossa on the estate. Our label is symbolizing Colonel Light pointing towards the Barossa Range when naming them in 1837.
