LYNDOCH HISTORICAL SOCIETY

The Historical Society's first meeting for the year will be held on Sunday 4th February at 2.00 p.m. in the meeting room at the rear of the Lyndoch Library. The topic for the occasion is the history of the Lyndoch Mill which unfortunately was destroyed by fire 65 years ago in 1959.

[Lyndoch Church of England news from the 1914 "Lyndoch Parish Notes".] The picket fence around the church is at last erected. Some of us did not think when the idea was projected that it made so much work; but now that it is all over, we acknowledge that the result repays our toil.

It took four afternoons to erect it and we take this opportunity of thanking all who ungrudgingly gave their labour to beautify their church – also those who subscribed to the cost – but of course, most of all those who did both. Messrs M. and H. Burge deserve the lion's share.

The painting is still to be done and we hope that when the "bee" is called a good number of "artists" will respond. Nor must we forget the ladies who so kindly gave us afternoon tea.

Six "working bees" were held in connection with the building and painting of this fence. Unfortunately, after all the effort it is no longer there.

Lyndoch Christmas Party 2023

The Lyndoch Community Committee volunteers were anxiously studying weather apps given the wild, very windy and stormy weather on the afternoon of the party. There were also power cuts to all surrounding areas which Lyndoch miraculously escaped.

The weather did clear up as forecast and locals came out in droves to enjoy the entertainment, a good variety of stalls and delicious food/drink options.

Here are a few photos of the party, including the front cover shot.

For more great pics, check out the Lyndoch Christmas Party facebook page.

SANDY CREEK NATIVITY SERVICE

By Geoff Graetz

Robert Brookes welcomed all the attendees at Sandy Creek Uniting Church's annual nativity service on 17th December. The service, led by Rev Josh Scherer, was held in the bush Chapel on a warm Sunday evening, continuing a long tradition of holding an unrehearsed nativity.

All present joined in singing Christmas carols accompanied by Darrel Schutz on the keyboard. Children in costume acted the story as it was narrated by Rev Scherer using a script originally written by the late Rev Nellie van Dyk.

Firstly, angels appeared to Mary announcing some surprising news before she left and reappeared riding a very well-behaved pony named Ralph, led by Joseph.

Joseph and Mary took their places on a hay bale at the front and soon the baby Jesus was placed in the manger, the shepherds appearing leading three equally well behaved sheep.

Finally, three very colourfully dressed wise men walked down the aisle to present their gifts. The audience then joined in more carol singing before Jan Abel led Gawler Sing Australia in a bracket of Christmas songs. Rev Scherer received the offering to be sent to the Christmas Bowl. After the service had concluded, everyone enjoyed supper to conclude the evening. The Sandy Creek congregation wishes to thank all those who assisted with this annual nativity service.

Volunteering Award for Sandy Creek

Earlier in December, volunteers from Sandy Creek Uniting Church were presented with a volunteering award for "outstanding service to the community of Sandy Creek Primary School." The volunteers from the church were providing morning tea for the school staff which they do when there is a training day. It's a service much appreciated by the staff.

The plaque read, "In appreciation of the continuing support of Sandy Creek Primary School."

The church was also presented with a framed picture of a tree on which many students had signed their names, captioned "Thank you for helping our community grow."

Our winery 1837 Barossa commemorates the date on which Colonel William Light, founder of Adelaide and first Surveyor-General of South Australia named the Barossa in December 1837.

The Barossa Colonel Light Monument, a life-size bronze statue of Colonel Light on horseback honours the birthplace of the Barossa on the estate. Our label is symbolizing Colonel Light pointing towards the Barossa Range when naming them in 1837.
