The Southern Barossa Antiques Show put on by Lyndoch Community Committee volunteers with the support of the Barossa Chateau, was a great success (see photos on page 8).

Thank you to the owners of Barossa Chateau, Mark and Mandy Creed, who allowed the event to be held inside the magnificent gallery space, much appreciated as it was a cold, wet day.

The event was attended by many happy punters who received some surprise valuations and interesting information on their treasures. Those selling antiques also enjoyed the day with smiling faces all round!

LYNDOCH CFS

HOME SAFETY – STOVE TOP FIRES

Unfortunately, every year the Fire Service gets called to a number of fires started in the home. From flue fires, electrical fires, candle lit fires and stove top fires. With a small fire on your stove top can become a large fireball due to the volatile reaction caused if water is poured onto the hot oil fire. Unfortunately, this can increase the damage to the home and cause severe burns, just from a simple mistake.

There are a couple of simple steps that you can do to normalise the situation.

- Keep calm and don't panic.
- Turn off the source of the heat.
- Carefully place a fire blanket or large saucepan lid over the small stove top fire.
- Evacuate the home and call '000' for the local Fire Service to confirm your home is safe.

Lyndoch CFS put on a Community Demonstration back in October 2021 with assistance from Concordia CFS, Williamstown CFS and other additional Emergency Services. One of the main demonstrations was a 'Kitchen Stove Top Fire' which spectacularly showed the result of pouring just 500ml of water onto a stove top fire and it shows how catastrophic it may have been inside your home. Again, Lyndoch CFS will host another **Community Demonstration in October 2023**.

SOUTHERN BAROSSA MEN'S SHED

The Men's Shed is a concept which is growing in popularity and increasing in number in Australia and around the globe. It provides an outlet for men, much in the same way that the backyard shed has in Australian culture over many years.

The Southern Barossa Mens Shed (SBMS) welcomes men from all walks of life to attend our Shed, you can participate in a range of activities in the workshop if that is your desire or you can simply turn up for 'a cuppa' and socialise with others in a non pressured setting. The Mens Shed does not follow a strict format but it does encourage fellowship. Projects are also undertaken which benefit the community.

Making or repairing furniture or home-wares or toys, mending and fixing motors, renovating bicycles, arts and crafts, all examples (but certainly not the limits) of the activities that can be undertaken at the Shed depending on the knowledge and skillset of the members. There is an emphasis on 'having a go' with projects but there is no pressure, it is most important for men to enjoy the

activities, have a sense of belonging and feel happy in the Shed environment.

Men with an interest in the activities of the SBMS are welcome to attend on Tuesdays and Wednesdays between 9am-1pm. at the rear of Wirraminna Little Shop of Treasures on Queen Street, Williamstown.

Any enquiries relating the shed, membership or the hire of the meeting room (attached to the workshop) can be directed to Glen Venning on 0409 675 937.

LYNDOCH HISTORICAL SOCIETY

The Lyndoch Creek was reported overflowing on the weekend of the 8th and 9th June 1923. The water poured over the road leading to Williamstown and into the vineyards adjoining. There it entered Mr J.G. Kelly's winery and distillery and flowed through the building. In Mr Kelly's vineyard there were still about 100 tons of Doradilla grapes to be picked and it was thought they might be damaged. The flood then spread over the vineyards of Messrs F.A. Menzel and B. Krieg, which were converted into a lake, and the winery of Messrs Walter Reynell & Son, near by, was flooded with water a foot deep.

On Tuesday morning the manager (Mr L. Harper) was busily engaged, with a number of men, cleaning out the dirty water and mud, but as the floors are concrete, no actual damage was caused. The crusher pit was full of water, and the machinery was submerged. At Lyndoch the flood was at its height at 10 a.m. on Monday and the roads in the town were left in a bad state when the waters subsided. [However] matters were not so bad as in 1913 when many fences and fruit trees were washed away and houses inundated.

1923 Flood (Lyndoch Valley Road)

1913 Flood (Tanunda Road Corner)

About 6.00 p.m. on 13th February, Lyndoch recorded four inches of rain in one hour. The rush of water from the hillsides to the low lying ground was terrific and the Lyndoch Creek was soon flooded spreading to a width of four hundred yards. Many of the houses on the eastern side were inundated and the floors covered with silt. Large numbers of fowls and turkeys were washed away while several pigs were also washed down the creek. Damage to the amount of £100 was sustained by Mr Menzel. Mr Wilton was washed off his feet while crossing the road in front of Leahy's Hotel.

Culverts under the railway line (Williamstown Road) were blocked causing water to cover the line and full grown trees to be submerged. Both the Institute and Post Office were surrounded by water. Pine trees planted near the new Institute were seen disappearing as the water rose higher and the Institute fence was washed away and water entered the rear door. The cool drink store (former Bank corner) had the cellar flooded and labels washed off the cool drink bottles stored there. People struggled as they walked through water holding on to fence wires.

SANDY CREEK UNITING CHURCH CAR BOOT SALE

Sandy Creek Uniting Church held another successful car boot sale on Saturday 6th May. An early influx of keen buyers on a cool morning kept the morning tea room very busy.

A steady stream of visitors to the 11 car boot sites continued throughout the morning, entertained by buskers Andrew and Arlo Yip with their bluegrass friend, Michael Murphy.

The buskers generously asked that donations be made to the Pastoral Care Worker fund for Sandy Creek Primary School. These donations totalled \$120. Lynette Dayman operated the

well-stocked cake stall which raised \$660. These proceeds along with the busking contribution totalled \$780 for the Pastoral Care Worker.

The Devonshire morning tea raised \$170 for the work of Uniting Church Frontier Services which provides chaplaincy and support services to people living in remote areas and the outback.

Leslee Carle, the church secretary said, "*It was a great day.*" She thanked everybody who had helped make the sale a success. The church will hold another car boot sale on October 7th.

Major recreation investment for the Barossa

The Barossa Council has made a major investment in the future of recreation and sport with a **significant land purchase at Lyndoch.**

The purchase of land from Burge Family Winemakers will enable the future expansion of sporting facilities adjacent Lyndoch Recreation Park, including a full size second oval, netball courts, changerooms and office and canteen facilities, subject to funding.

Mayor Bim Lange says the \$1.6 million land purchase will future-proof sports and recreation in our southern communities.

"We've been consistently working towards this goal for many years. We are absolutely thrilled to make this acquisition facilitated by Burge Family Winemakers, and we thank them for being open to supporting our community and future generations," Mayor Lange said.

"This is a great outcome for our grassroots sports including football, netball, cricket, tennis, bowls, athletics and pigeon rac-

On the Grapevine

ing, and moves us closer to realising our long-held vision for a Barossa sporting hub in Lyndoch, which will benefit adjoining communities.

"The land purchase not only supports the relocation of Barossa Districts Football and Netball Club to Lyndoch, but also caters for future population growth resulting from the Concordia development.

"Additionally, it will provide year-round access for athletics, tennis and netball who have had shared-use arrangements of facilities at Lyndoch Recreation Park."

The new facilities will complement those in Tanunda, Nuriootpa and Angaston, making the Barossa a genuine destination for sports and tourism events, in line with Council's delivery of The Big Project.

“This will create new and exciting opportunities to attract major sports tourism events to the region by providing high-quality facilities within easy reach of Adelaide,” Mayor Lange said.

“It also opens up new opportunities for investment at Queen Victoria Jubilee Park in Williamstown as an adventure and tourism destination.

“This land purchase is a long-term investment in the future of our region and we look forward to the opportunities it will create through increased participation in sport and as an economic driver for our region.”

The land purchase was made official on Friday 19 May at a signing ceremony performed by Mayor Lange and Kirk Zeng representing Burge Family Winemakers.

Lease and licence reforms deliver fairness and transparency

New reforms spearheaded by The Barossa Council are aimed at making community use of Council facilities fair, accountable and transparent.

Council is seeking community feedback on the draft Lease, Licence and Hire Permit Policy.

The framework aims to ensure all community members as individuals, groups or organisations have opportunity to access Council facilities, and that Council’s fees

and charges structure provides equity and value for money.

Mayor Bim Lange says historically there have been inconsistencies in the way Council has managed leases, licences and hire permits.

“Our fee structure has not reflected the many different user groups in our community, how our community facilities are used and by whom,” he said.

“This has led to fee inequity and use agreements that are either too simple, overly complex or aren’t reflective of community standards.

“For example, welfare and not-for-profit organisations are very different users to groups with a large membership base, income stream or commercial orientation, and therefore their capacity to pay is vastly different.

“In spearheading reform, our aim is to increase fairness and equity in the use of Council facilities, according to the user and the type of activity being undertaken.”

As part of the reforms, Council is also clarifying the roles and responsibilities of user groups, so they understand the expectations that come with using Council facilities.

People can find out more and provide feedback on the Policy at yoursay.sa.gov.au from 24 May until 14 June.

“ A Piece of Italy in the Barossa Valley”

Italian winemaker and founder of God’s Hill Wines, Carmine (Charlie) Scalzi with his family invites you to visit the hidden gem of the Barossa Valley.

Their Cellar Door offers authentic Italian pizza & Italian flavour platter, with some of Ennia’s (Charlie’s wife) home made produce.

All wines are vegan friendly, natural and no headache!

The God’s Hill brand of micro production is exclusive to cellar door and online sales.

For Cellar Door bookings ring 0412 836 004
For party groups ring Tina on 0432 932 511
