Lyndoch Social Dancing and Lessons

Join the sociable group that have recently celebrated 15 years of dancing at the Lyndoch Hall!

Participants enjoy some old time favourites as well as some fun dances to learn. A selection of Waltz's, Modern and Old Style Blues, Foxtrots, Saunters, Rumbas, Jives, Tangos, Swings, Cha Cha, Two Step and Latin keep dancers on their toes. Learning new dances can be challenging but also very enjoyable.

People of all ages are welcome, with younger people often attending to learn dances for their weddings or formals. You don't need

to bring a dance partner with you, it's a very friendly group who make the most of the great music and exercise (both mental and physical) to just have a good time!

If you like the fairy lights in the photo, funds were raised for the installation in the Hall by the Dancing Group. Local charities such as Barossa Wildlife Rescue and BAFFC, as well as your newsletter, The Grapevine have also benefitted over the years.

Come along on a Friday night from 7.30pm (see the programme at the top of page 5 for full details).

LYNDOCH HISTORICAL SOCIETY

The next meeting of the Lyndoch Historical Society will be held on Sunday 28th April commencing at 2.00 p.m. in the meeting room at the rear of the Lyndoch Library The topic for the occasion is to mark the 110th Anniversary of the commencement of World War I and discover the happenings that were taking place in Lyndoch in 1914.

A fire occurred on 5th December 1914 at 2.30 a.m. when the Travellers' Rest Hotel was destroyed. A traveller sleeping in a room adjoining the bar was woken by the sound of burning timber and the smell of smoke. He alerted members of the Linke family but by the time the nine occupants escaped in night attire, the place was well ablaze.

Many spectators attempted to enter the premises from the rear but the heat was intense and little could be done in that direction. The roof was scaled by others and with the aid of buckets of water prevented the fire spreading to four disconnected rooms. The hotel was badly damaged and also the contents save for a few personal effects and a portion of furniture, which was secured at great risk.

The building was insured for £1000 and was owned by Mr Robinson of Balaklava. The cause of the fire was unknown but it was surmised that it was probably caused by a cigar or cigarette smouldering in the sawdust and being fanned into flame.

SOUTHERN BAROSSA MEN'S SHED

The Men's Shed is a concept which is growing in popularity and increasing in number in Australia and around the globe. It provides an outlet for men, much in the same way that the backyard shed has in Australian culture over many years. The Southern Barossa Men's Shed (SBMS) extends a welcome to men from all walks of life to attend our Shed. Without a strict format we foster fellowship and emphasise the importance of men enjoying the activities, feeling a sense of belonging and being part of a relaxed non-pressured group. We encourage anyone who simply wants to turn up for 'a cuppa' and socialise while others may want to tinker, mend or create in the well equipped workshop.

If you are curious to try new things someone is always on hand to help out. Making or repairing furniture or homewares or toys, mending and fixing motors, reno-

vating bicycles, arts and crafts, all examples (but certainly not the limits) of the activities that can be undertaken at the Shed depending on the knowledge and skillset of the members. Projects and activities are also undertaken which benefit the community.

Men with an interest in the activities of the S.B.M.S. are welcome to attend on Tuesdays and Wednesdays between 9am-1pm. at the rear of Wirraminna Little Shop of Treasures on Queen Street, Williamstown.

The A.G.M. for the Southern Barossa Mens Shed will occur on Wednesday 27th March in the meeting room.

Any enquiries relating the shed, membership or the hire of the meeting room (attached to the workshop) can be directed to Glen Venning on 0409 675 937.

Lyndoch Group

March is the annual Red Cross Calling Month. Support from the community is appreciated as our volunteers collect money to aid those impacted by disaster in our local area, Australia and the World.

Barossa 4WD Club

'The main rule is to have fun!'

All you need to be part of the Barossa 4WD Club is a 4WD to be able to enjoy the variety of club trips planned by members. A basic 4WD with no modifications is adequate with high clearance a key requirement for some of the more adventurous trips.

Sophisticated camping gear is also not essential to enjoy a trip away. It could be a day trip, long weekend or even an extended trip lasting a couple of months for those that can travel for that long. The nice thing about being part of a club is camaraderie, support and a safety net if something goes wrong. Training is offered to novices, with interested potential members invited to an initial meeting, after which they need to participate in an away trip to become a member.

Close friendships have been forged over the years, with some past members still in the loop as 4WD Club Friends when they are no longer able to travel. The 20 to 40 members are mostly couples with some singles. There are currently no children but kids are certainly welcome. As club members plan the trips that they are interested in, members can opt in to what appeals to them. Members also take part in community projects such as helping at the Altona Landcare Reserve or participating in Clean Up Australia Day. The Club also supports the Royal Flying Doctor Service.

It's a great, secure way to travel to places you wouldn't go to otherwise and an excellent way to see Australia. The next Club meeting is on 13 March (always the second Wednesday of the month) at the Lyndoch Meeting Room at the back of the Lyndoch Library. Contact Kirsty on kirsty@physio-wise.com.au if you want to come along.

Our winery 1837 Barossa commemorates the date on which Colonel William Light, founder of Adelaide and first Surveyor-General of South Australia named the Barossa in December 1837.

The Barossa Colonel Light Monument, a life-size bronze statue of Colonel Light on horseback honours the birthplace of the Barossa on the estate. Our label is symbolizing Colonel Light pointing towards the Barossa Range when naming them in 1837.
