

## Mark May Tyre Service

Mark May Tyre Service is a completely mobile service. Independently and privately owned, servicing the Adelaide Hills and surrounding areas. MM Tyre Service will come to your home, your work, your farm almost anywhere, professionally fitting and balancing the tyres you have selected or repair that tyre on your car, truck, tractor, or any vehicle and implement you require.

Fitting available seven days a week.

MM Tyre Service will source a quote for the tyres, and once you have given your approval, the tyres will be ordered and will be fitted to your vehicle anywhere.

### Services provided:
