## “TUNGKILLO'S MATRIARCH TURNS 90”

I give no apology for calling my mother Eva Burton the Tungkillo's Matriarch, Mayoress or any other important name she's been fondly labelled over the years, Australia Day Citizen of the year in 2005, an award she so greatly deserved & a true recipient of this award 🍷

My mother Eva Burton has been totally dedicated to the Tungkillo community since the day she was born! She loves her Tungkillo & the Tungkillo Progress Club which she is now a life member of.

“Eva (mum) became a member of the Tungkillo Progress Club in her late teenage years, the early 1950s. Eva was a huge part of helping to raise money to build our Tungkillo Soldiers Memorial Hall, along with Elaine & Neil Day, Lawrie & Nan Lintern, the Rollond, Guthrie & Hobbs families. Eva is known for making newcomers welcome to the town by calling on them with home made sauces & jams. Eva was part of the Tungkillo Friendship Club & would get newcomers to join in & get to know people, sadly that Club folded some years ago, but the wonderful friendships made from it remain. Eva is known as grandma not only by her own grandchildren but by lots of other town children as they grew up in the town, also when I was doing FDC all my Family Day Care kids called her grandma & loved to visit her house & see all the animals.

Eva & Den Burton milked cows by hand for years while bringing up their family in Tungkillo plus doing other jobs to top up their income, picking fruit, cleaning & dad would do fencing & shed work.

Unfortunately, life hasn't been the kindest to Eva & she has been wheelchair bound for the last couple of years due to terrible pain from the arthritis that has taken over her body. Eva's short-term memory isn't the best either, but Eva soldiers on taking things one day at a time.

Eva celebrated her 90th birthday on the 22nd of October 2022 at her beloved Tungkillo Soldiers Memorial Hall, with all her family & friends around her. Eva wrote out & read her own speech on the day & still had everyone smiling & cheering at her wonderful sense of humour. (You've still got it mum)

Eva arrived at the hall in (dad's) Den's old 1948 Vauxhall, lovingly restored by Barry Crowhurst. This was a huge surprise for mum. Eva had a wonderful day & enjoyed every minute of it. Wishing Eva (my dear mum) a very HAPPY 90th BIRTHDAY & thanks for all your help & support over the years!

**A very much-loved lady.**

Joyleen Burton.

### Tungkillo Progress Club – Presidents Report 2022

On behalf of the Tungkillo Progress Club, I would like to Welcome everyone to tonight's special meeting and AGM and thank you all for your time and attendance this evening.

For those of you who do not know my name is Steph Rollond and I'm the committees current President.

We ended last year with our 3<sup>rd</sup> Light up Tungkillo competition, where we had many families, all getting involved and decorating their homes for Christmas.

The committee held our Annual Auction in April, which was a great success, with a lot of hard work and dedication from our committee members and much appreciated help from local volunteers. We are very grateful for the support we get from the local community and businesses with our auction and can't wait for the next one.

In April, the Tungkillo Hall saw The Ultra series, which is the 2<sup>nd</sup> year we have assisted with the event. Some committee members volunteered on the day and others supplying homemade meals for the event.

We have also held numerous Card Luncheons and Bingo nights. Which are enjoyed by the local community.

I also want to thank the local businesses and people who continue to donate to our events, we can't thank you all enough for your ongoing support and generosity.

Each committee member sits a term of 2 years before having to re-nominate and stand for the committee again unless they choose to resign before their term ends. The committee members up for re-nomination are Robert Guthrie, Joyleen Burton and Glenda Rogers. The committee has had 1 resignation this year, myself.

I would like to thank the committee for all their hard work over the past year, after all the people who make up the committee are all volunteers and enjoy helping the Tungkillo community.

I would like to thank Joyleen and Glenda for putting together our Gazette each month I know it has been a little difficult with printer issues making it a very timely and stressful event. Fortunately, we have recently upgraded the printer making it a lot more time efficient.

I would also like to thank our Council Representative Peter Raison for his continued support, hard work and dedication to the Tungkillo Community for the past 8 years. On numerous occasions Peter has gone above and beyond for our community and it hasn't gone unnoticed. Peters hard work is very much appreciated by the committee, we are saddened Peter has chosen to step down from Council. However, we look forward to building a new relationship with our new Council Representative.

Lastly, I would like to thank the community for putting your trust in the committee.

Thank you,

Stephanie Rollond

TPC President 2022

### The new committee is as follows:

President: Mrs Mandy Lintern

Vice President: Mr Alan Lintern

Secretary: Ms Joyleen Burton

Treasurer: Mrs Glenda Rogers

Committee: Meredith Baynes, Malcolm Reynolds, Anne Reynolds and Anne Burgess.

Committee would like to thank all that attending the Special Meeting and AGM on Monday 7th November, 2022

### Bushfire Protection in MID MURRAY COUNCIL AREA

The upcoming bushfire season is expected to commence on 15<sup>th</sup> November 2022. To be confirmed as the Fire Danger Season approaches.

It is noted that due to the excess rain there are already high fuel loads within the region, so it is suggested that residents/ratepayers start preparing their properties to ensure the best outcome for the season.

In the garden and around the home:

- Cut down grass and clear away any fallen branches, leaves and dead undergrowth within 20 metres of the home.
- Prune lower branches less than 1 metres above the ground to provide a vertical fuel break to help prevent ground fires from spreading into trees.
- Remove any mulch to at least 1 metre from any dwelling wall and move woodpiles away from the dwellings.
- Ensure all gutters are kept clear of leaves and twigs.

Rural Living - On rural properties, prepare and maintain fuel breaks around fence lines, buildings, equipment sheds, haystacks, hay sheds and fuel supplies.

Fuel reduction on vacant allotments greater than 0.03 hectares in size. It is considered that a mowed or slashed firebreak be constructed around the perimeter of the block of land to the minimum width of 4m. The flammable growth on the firebreak is to be maintained to a maximum height of 10cms for the duration of the fire danger season. However, this is only a guideline.

#### Residential Areas

Council is involved in a township clearance program which starts around October each year, this involves inspection of township and some rural allotments, under the South Australian Fire and Emergency Services Act 2005 section 105F.

Council can issue a Section 105F notice if:

'The Council believes that the conditions on private land in a fire district area such as to cause an unreasonable risk of the outbreak of fire on the land, or spread of fire through the land, due to the presence of flammable undergrowth or other flammable or combustible materials or substances'.

**It is the Landowners responsibility to comply with the Act. Failure to comply with a notice can now incur an expiation notice of \$315, plus the recovery cost of council carrying out the work required by that notice.**

It is recommended that property owners keep the height of grass on their property to a maximum height of 10 centimetres for the entire fire danger season.

#### Fire Bans

The 2022/2023 Fire Ban Season for the Murraylands and Riverland Districts starts 15th November to 15th April.

On days of extreme weather conditions Fire Bans may be declared for the Mid Murray Council district and other areas in the State. To determine whether a fire ban has been imposed, phone the CFS Hotline on 1800 362 361.

## TUNGKILLO GAZETTE

### Fire Permits

During the Fire Danger Season almost all fires in the open require permits. Applications for permits can be made at the Mid Murray Council office during business hours. **Permits will not be issued for any properties within the Hundreds of Tungkillo or Jutland, without the authority from the Local CFS Brigade Captains.**

Fires not requiring permits, other than on a Total Fire Ban Day include:

- A campfire for personal warmth or cooking purposes provided the fire is contained in a portable cooking appliance or a trench 30cm deep and the fire does not occupy an area exceeding one square metre and there is a four-metre clearance of flammable material around and above the fire.
- A fire for burning of refuse provided the fire is contained in a properly constructed incinerator and is not situated in a township within the area.
- Electric welders, mechanical cutting tools, gas equipment (such as oxy equipment) and gas or electric cooking appliances, provided there is a 4-metre clearance around the appliances and equipment.

### Total Fire Ban Days

All fires are prohibited on a total fire ban day unless a permit has been issued. However, permits will only be issued in special circumstances. **Note:** Electric welders, mechanical cutting tools and gas appliances require a permit before they can be used in the open on a day of a total fire ban.

The penalty for lighting a fire in the open without a permit on a total fire ban day is \$10,000.

### Backyard Burning (Outside the Fire Danger Season)

Burning in the open is regulated by the Environment Protection Authority, within the Environment Protection (Burning) Policy 1994 in accordance with the Environment Protection Act 1993.

Residents are permitted to burn dried gardening pruning's, dry paper, dry cardboard, or dry timber on their domestic premises, between the hours of 10.00am and 3.00pm from Monday to Saturday.

The fire must not be lit before 10.00am and must be completely extinguished by 3.00pm. Burning is not permitted on Sunday or any Public Holiday.

It is important to ensure that the material being burnt is completely dry to ensure a quick, clean burn and therefore minimising the amount of smoke produced from the fire. The burning of damp, wet or green garden pruning's, leaves or other material is not permitted.

### Backyard Burning (Within the Fire Danger Season)

During the Fire Danger Season, residents are not permitted to burn any materials on domestic premises, without first obtaining a permit to do so in accordance with the Fire & Emergency Services Act, 2005. These permits may be issued by the Mid Murray Council's Fire Prevention Officers.

### Bushfire Survival Plans

You and your family's safety and survival during a bushfire will depend on how prepared you are, and the decisions you make. You are strongly recommended to prepare your Bushfire Survival Plan Now and can do so by connecting to the CFS website via the following Link.

## Tungkillo card luncheon held on Thursday 20th October

We had a special guest, Stuart Watkins & his wife all the way from W.A.

Stuart lived in Tungkillo many, many years ago on the Rollond's property Tara Hills, Stuart said it was just know as Tara back then, his parents sold the property to Ellis & Freda Rollond, (our Clubs President Steph Rollond's great grandparents).

Stuart & his wife were also celebrating their 65th wedding anniversary. They enjoyed their visit here sharing our usual delicious lunch of a variety of hotpots & then yummy puddings for desserts with 24 other card players. Stuart even won the cards for the afternoon.

My mum Eva Burton remembers the Watkins family well.

It was great to have Elaine & Neil Day back from their yearly 4-month winter getaway to Queensland, spent with their son Ian Day.

Elaine made a lovely birthday banana cake for her sister Bev Schubert who turned 86 on the day, birthday wishes were also given to Judy Starick & Eva Burton. Although sadly Eva can't attend cards anymore due to her ill health. She celebrated her 90th on the 22nd of October.

Once again Mandy Lintern provided delicious slices for afternoon tea, along with the birthday banana cake from Elaine Day.

Thanks so much Mandy & Elaine and also thanks to our usual helpers: Maureen Torrns, Meredith Baynes, Carole Evans, Clem Bormann, Neil Collett, Vi Mitchell, Vicki Silvestri & Neil Day. Plus, anyone else I may have missed.

### **Congratulations to the winners on the day.**

Stuart Watkins & Shirley Klose for cards  
Erna for Rummie.

### **The Boobies/Losers on the day were:**

Clem Bormann & Carole Evans for cards & Karen for Rummie.

Everyone is looking forward to our Christmas card luncheon on the 15th of December.

It will be wonderful.
