PRESIDENTS REPORT

On behalf of the Tungkillo Progress Club, I would like to Welcome everyone to tonight's special meeting and AGM and thank you all for your time and attendance.

My Name is Edith Matheson and I'm the committees current President.

This is the second year I find myself writing a different presidents report due to the unfortunate world events that we've all found ourselves surrounded by.

However, unlike last year, we have been able to hold certain events, obviously with restrictions and making certain changes to make sure we continued to comply with the all the changing regulations but neither the less the show has gone on.

We ended last year with another extremely well received Light up Tungkillo competition, where we found plenty of the local families all getting involved and decorating their homes in the spirit of Christmas and good old fashioned neighbourly competition. We are excited to announce we are holding it for a third year running, so many families get excited to be a part of this competition.

Bouncing into the New year, still with restrictions in tow, the committee were able to hold the Annual Auction, which was sorely missed from the previous year, but with determination from our committee members and help from local volunteers it was a success. And we can't wait for the next one.

In June, the Tungkillo Hall saw The Ultra series, which is a 326km marathon run that is based over 5 days. Some of the committee members volunteered on the day managed to make Tungkillo a memorable pit stop for the runners. The Events organiser has already been in contact with Joyleen and have asked if they could use the hall as a pit stop for next year.

We have also been able to hold numerous Card Luncheons and Bingo nights. Both regular events are loved by the local community and are always enjoyed by those who attend. A massive thank you to the continuous support and help from all the volunteers who donate their time at all our events.

I also want to thank all the people and local businesses who donated goods to our events, this is a huge support, and we can't thank you all enough for your on going generosity.

The committee has had 2 resignations this year, I would like to thank both Kirsten Thirlwell and Martyn Hockham for their time and efforts whilst on the committee, thank you both for all your input and the committee wishes you the best for the future.

Each committee member sits a term of 2 years before having to re nominate and stand for the committee again unless they choose to resign before their term ends. In saying that, over half the committee found themselves having to re nominate this year. There have been 3 members who have nominated to resist, those members being Tony, Steph, and Alan and 2 who have chosen not too, myself and Anne.

Thank you to Anne Burgess for your time on the committee, you have had some fantastic ideas and helped start the Christmas lights competition which is dearly loved and hopefully grows as the years continue. I also know it has been a disappointing 2 years due to Covid sending everything into a spin and not being able to really give our all for the community during that time.

I, myself, have chosen to step down not only from my role as the president but also from the committee. I was exceptionally lucky to give birth to my first child at the beginning of this year, and since then I have been preoccupied and have not been able to give my all to the committee. I think it is unfair that I take up a seat when I know that someone could be doing a better job.

I would like to thank the committee for all their hard work and determination for the past year, after all the people who make up the committee are all volunteers and enjoy helping the community. You have all done an amazing job under the current circumstances. I wish the future committee nothing but success.

I Can't forget our little newspaper that is growing by the year, The local Gazette. Thank you to Joyleen and Glenda for stepping up and taking on the Gazette after Jacq left, I know the community really appreciates the hard work you put in.

I am saddened to be writing my last Presidents report as I have had such an amazing time helping the community and being involved in so many different events over the past 4 years, I have been fortunate enough to meet and work alongside some amazing people. And that is what I believe is the true beauty about community; Is that you are forced to be apart of something where not 1 person is exactly the same. Thank you to the community for putting your trust in myself and the committee, we appreciate your faith in us.

On closing I'd love to leave you all with a quote by Brain Solis:

Community is much more than belonging to something; its about doing something together that makes belonging matter.

Thank you,

Edith Matheson

Celebrating 10 years and the changing of the guard at Mt Pleasant Farmers Market

After a decade at the helm, inaugural Mt Pleasant Farmers Market Manager, Genevieve Hebart, has announced her retirement. Genevieve has been and continues to be a driving force within the passionate team that brought the market to fruition in 2012. She has worked tirelessly in the role as Market Manager from inception right through to the present day.

Genevieve said, "The last 10 years as Manager of the Mt Pleasant Farmers Market have been an extraordinary experience where I have been able to use my previous experience in management to assemble a team of individuals, both paid and voluntary, to develop what has become an integral event in the Mt Pleasant calendar and is a state and nationally recognised authentic Farmers Market."

"I acknowledge the inspiration and initial work of the Volunteers of the Mt Pleasant Natural Resource Centre under the guidance of Faye McGoldrick, whose enthusiasm was the original impetus for the project."

"With the support and skills in particular of Terese Stephens, the Market has grown, to what it is today, a wonderful venue for small local business to sell their goods, and a significant networking environment for families and friends. I look forward to the future development of the Market over the next 10 years as a local customer."

Genevieve will finish up very appropriately on the 10th birthday of the market in early February 2022.

The market management board have recently employed Barossa Valley local, Chelsea Honner to co-manage alongside market veteran Terese Stephens. Chelsea comes from an event & styling background with a passion for all things local.

Chelsea said, "The value and commitment of current manager, Genevieve to the market is overwhelming but I am very excited to take on the challenge and have lots of ideas to help enhance the already successful market."

"One thing that stands out to me about the market is the amazing sense of community. Everybody has been so welcoming, and I can't get over the generosity of the stall holders, members, and the volunteers. It's such a wonderful market!"

A full calendar of events is planned for the 10th birthday celebrations. One of the markets favourite son's, celebrity chef Simon Bryant, will be returning to the market to celebrate. Simon will be cooking up a storm with market produce, with his usual flair & style. Simon said, "I am humbled that the Market Board has considered me to be part of the celebrations".

A gala dinner event will also be held in Mt Pleasant to announce and present market stalwarts & life members with awards. Event organiser, Terese Stephens said "The event will host and reunited the many stall holders, volunteers, members and staff that have been involved with the community not-for-profit group over the past ten years."

The market is open every Saturday at the Mt Pleasant Showground from 8 am – 12 noon. For any enquiries, please phone Terese 0418 301 121 or email info@mtpleasantfarmersmarket.com.au

TUNGKILLO CHRISTMAS CARD LUNCHEON

The last card luncheon for the year was held on Thursday 16th December. Numbers were down a bit as some players had other Christmas time commitments. 24 card players & 5 hard working volunteers enjoyed a scrumptious Christmas roast lunch with all the trimmings, followed by a delicious home made Christmas pudding & custard for dessert. As a special treat for Christmas, pavlova shells with whipped cream & strawberries were served for afternoon tea, they were very popular.

The winners on the day were:

Men: Clem Borman Ladies: Helen Roesler

The unlucky Boobies/Losers were:

Men: Ross Voight Ladies: Glad Schuz

Erna Schubert won Rummie.

Clem Borman thanked the Tungkillo Progress Club & volunteers for putting on the card luncheons, & how much they all enjoy the day.

I'd like to thank Elaine, Neil & Ian Day & Carole Evans for all their help on the day & throughout the year.

Plus our volunteer ladies that are here at every card luncheon, you know who you are & we couldn't put these luncheons on without your valued help.

Thanks everyone.

All being well the first card luncheon for 2022 will be **Thursday 17th February**.

Happy New Year 🥳

LETTER FROM WINNER OF THE CHRISTMAS LIGHTS IN TUNGKILLO 2021

To all members of the Tungkillo Progress Club,

We just wanted to send an email to say a massive thank you for our prize in the Christmas lights competition last night. It certainly is very appreciated, especially at this time of year, and we can't thank you enough!

We look forward to Tungkillo lighting up houses to share the festive cheer each year. It is so lovely to see more and more people joining in. The competition is obviously getting a lot more people joining in the community spirit. This year we had many more people coming to look at our lights than previous years, so word must be getting around. I know for a fact some of our extended family come out, from out of town, just to have a look at what everyone has done, and they enjoy seeing it each year!

Once again, thank you!

We hope you all have a great & safe Christmas & New Years break & look forward to seeing what the committee has planned for our town in the New Year.

*With thanks,
Laura, Travis & Alyssa Waples*
