SOUTHERN BAROSSA MEN'S SHED

The Men's Shed is a concept which is growing in popularity and increasing in number in Australia and around the globe. It provides an outlet for men, much in the same way that the backyard shed has in Australian culture over many years. The Southern Barossa Mens Shed (S.B.M.S) welcomes men from all walks of life to attend our Shed, you can participate in a range of activities in the workshop if that is your desire or you can simply turn up for 'a cuppa' and socialise with others in a non pressured setting. The Mens Shed does not follow a strict format but it does encourage fellowship. Projects are also undertaken which benefit the community.

Making or repairing furniture or homewares or toys, mending and fixing motors, renovating bicycles, arts and crafts, all examples (but certainly not the limits) of the activities that can be undertaken at the Shed depending on the knowledge and skillset of the members. There is an emphasis on 'having a go' with projects but there is no pressure, it is most important for men to enjoy the activities, have a sense of belonging and feel happy in the Shed environment.

Men with an interest in the activities of the S.B.M.S. are welcome to attend on Tuesdays and Wednesdays between 9am-1pm. at the rear of Wirraminna Little Shop of Treasures on Queen Street, Williamstown.

Any enquiries relating the shed, membership or the hire of the meeting room (attached to the workshop) can be directed to Glen Venning on 0409 675 937.

Barossa 4 Wheel Drive Club

The Barossa 4WD club is a small group of friendly individuals who enjoy exploring this beautiful country of ours together.

We organize both social and holiday trips of various duration where members are free to opt in to a variety of activities.

If you own a 4WD vehicle and are keen to share your time with other like-minded people, come along to one of our monthly meetings and say hello.

We meet on the second Wednesday of each month at the Lyndoch Library meeting room at 7.30pm. or send us an email at

barossa4wdclub@gmail.com

Southern Barossa Coffee & Chat mornings

It is with extreme sadness that we lost one of our truly beautiful ladies from our Barossa Coffee and Chat group. Her name was Sue Parkes from Lyndoch. Sue worked tirelessly for the district and Gawler before she became ill in July this year. Unfortunately she lost her battle with cancer on Tuesday 14th November. Our deepest sympathy to her husband Chris. Rest in peace beautiful lady.

Our last Coffee and Chat was at the Lavender Farm in Lyndoch where we enjoyed beautiful lavender and plain scones served with jam and cream and tea or coffee. A very pleasant visit and a huge thankyou to Lesley for her 'wealth of information'.

December will be the last one for the year. Once again we will be celebrating our 'Christmas catchup' at the Monkey Nut cafe - Kies Winery in Lyndoch at **12.30pm on Thursday 14th December.**

If you haven't given your name and would like to join us please phone Judy on 0413606565 to make a booking. We look forward to having as many as possible join us for this last one for the year.

A very merry Christmas to all and a great 2024. We look forward to seeing you all in 2024!

A huge thank you to Zoe and Deb for putting our notices in the Grapevine and Willy Wagtail for this year.

Regards Judy Neilson - 0413606565

WAGTAIL

DEC 2023

Christmas is almost here! The decorations are up and the Christmas songs are playing.

In the lead up to Christmas, we have several fun activities planned for our residents. We've already started the Christmas Movie nights (a must in December!) We run a 'Secret Santa' from staff to residents with every resident receiving a small gift from a 'secret' Wirraminna staff member. We really are a family here at Wirraminna and this lovely tradition is testimony to that.

Plans are underway for our Resident Christmas Lunch. We hold a traditional lunch with all the trimmings the week of Christmas, so that our residents can enjoy a 'Wirraminna Family Christmas' and receive their 'Secret Santa' gifts before heading out with their other family members on Christmas Day.

Speaking of gifts, Wirraminna was the grateful recipient of a generous donation from the Williamstown Amateur Players. This wonderful group of talented women like to give back to the community and Wirraminna was lucky enough to benefit from their generosity. We were able to purchase some beautiful furniture for our

new courtyard, meaning our residents can enjoy the space and sunshine in great comfort.

Wirraminna would like to thank The Williamstown Amateur Players very much for their wonderful donation!

Wirraminna would like to wish you all a very Merry Christmas and a Happy New Year!

Breaking down barriers to employment

16 November 2023

The Barossa Council will partner with industry experts to deliver two defining events aimed at having courageous conversations around workplace diversity and encouraging employers to support people with disability to thrive in employment opportunities.

The sessions will be run on 27 November and 29 November as part of a week-long program of events celebrating International Day of People with Disability on Sunday, 3 December.

Event 1 on Monday, 27 November will provide practical business support for employers as well as lived experiences of people living and working with disability.

Event 2 on Wednesday, 29 November aims to connect people with disability and their advocates to support partners and services in the community.

Council's Community Development Officer Natalie Mudge said leading workforce experts and community partners will provide practical support and advice on pathways to work and volunteering.

"We encourage all employers to challenge their unconscious bias and focus on what an individual can bring to the workplace. Employers can help bridge the workforce gap and create more opportunities for everyone," Natalie said.

"Diverse workplaces allow for a broader range of skills along with valuable perspectives and experiences."

Information on both events can be found at Barossa.sa.gov.au/events or by searching 'Diverse Workplaces' on our website.

Connection with industry experts and people with lived experience of disability in these sessions will give you the tools in workplace adjustments, assistive technology, job carving, and funding for on-the-job training.

"In hiring people with disability, employers gain a more diverse, creative workforce, while employees with disabilities find empowerment and independence," Natalie said. "This approach benefits both employers and employees in Barossa."

"As a community we can break down barriers and promote an all-inclusive Barossa."

Scoring goals for local football

13 November 2023

Barossa United Football Club is set to enjoy contemporary new facilities in 2024 as work begins on new clubrooms and changerooms at Nuriootpa Centennial Park.

Four gender-neutral change rooms will be complemented by a new clubroom that includes kitchen, canteen, medical and referee facilities.

The \$6 million redevelopment of the precinct by The Barossa Council includes \$1,034,462 million funding as part of the Australian Government's Local Roads and Community Infrastructure (LRCI) program.

Mayor Bim Lange says the new facilities will meet Football SA standards to ensure the regional-level precinct can meet both current demand and future growth of the sport.

"The amazing performance by the Matildas in the Women's World Cup means the round ball game is more popular than ever before, and it's terrific to see this reflected at the grassroots competition level," Mayor Lange said.

"With more than 450 players at Barossa United Football Club and strong female participation rates, we're really excited to deliver new facilities that will support the club to grow even more."

This next phase of works complements a new synthetic pitch and lighting plus a grass modified pitch for training and local competition.

"We believe these additional playing spaces and contemporary facilities for players, referees and club members will attract more people to competitive sport and support the sustainability of our local football club," Mayor Lange said.

"This redevelopment has been possible thanks to our valued partners including Football SA, Nuriootpa Centennial Park Authority and the Club itself.

"It's also great that we've been able to award the contract to a local company in Bishop Building to keep economic benefits flowing to our local community."

Construction is expected to get underway immediately with an opening anticipated later in 2024.

The LRCI program supports local councils to deliver priority local road and community infrastructure projects across the nation, supporting jobs and delivering benefits to local communities.

Ends

Mayor Bim Lange inspects the site of the new facilities with Guy Martin from Nuriootpa Centennial Park Authority and George Triandafyllidis from Barossa United Football Club.

Shop the Tanunda way

The Barossa Council is pleased to be partnering with the local traders to host the Tanunda Christmas Shopping Night and Barossa Made Market on Thursday 23 November.

Twenty participating Tanunda businesses will keep their doors open late to enable locals and visitors alike to stroll the main street and take advantage of great offers.

The Barossa Visitor Centre will also host a special Barossa Made Christmas Twilight Market with over 30 market stalls featuring local handcrafted and artisan items in Tanunda Town Square.

"We know the community wants to support its own, and now more than ever we are encouraging the community to shop local," said Jo Seabrook, Manager Tourism Services.

"We're also inviting South Australians from outside the region to make the trip to support our Tanunda traders and local craftspeople by purchasing something truly unique for everyone on their Christmas gift list."

At the Barossa Made Market, locals and visitors will be able to meet the maker, connect with their story and give a unique, handcrafted gift this Christmas.

"The Barossa boasts many artists, craftspeople and producers that create beautiful and unique regionally sourced products," said Jo. "Handcrafted pottery, natural skincare, bespoke leather products, jewellery, fashion and handmade food products are all part of the offering."

The event will run from 4pm to 8pm with a family-friendly market atmosphere centred around the Tanunda Town Square, including live music and 'one-night-only' shopping specials throughout the main street.
