SOUTHERN BAROSSA MEN'S SHED

It has been a busy few weeks for the Southern Barossa Mens Shed. On 17th September we provided and manned the BBQs supplying food to the hungry patrons attending the MSS Safety Rally Barossa Car Rally event at Rowland Flat. On 24th September we again provided and manned the BBQs supplying the patrons attending the FIND N TRAX motor cycle rally event in Mount Crawford Forest.

The Men's Shed is a concept which is growing in popularity and increasing in number in Australia and around the globe. It provides an outlet for men, much in the same way that the backyard shed has in Australian culture over many years. The Southern Barossa Mens Shed (S.B.M.S) welcomes men from all walks of life to attend our Shed, you can participate in a range of activities in the workshop if that is your desire or you can simply turn up for 'a cuppa' and socialise with others in a non-pressured setting. The Mens Shed does not follow a strict format but it does encourage fellowship. Projects are also undertaken which benefit the community.

Making or repairing furniture or homewares or toys, mending and fixing motors, renovating bicycles, arts and crafts, all examples (but certainly not the limits) of the activities that can be undertaken at the Shed depending on the knowledge and skillset of the members. There is an emphasis on 'having a go' with projects but there is no pressure, it is most important for men to enjoy the activities, have a sense of belonging and feel happy in the Shed environment.

Men with an interest in the activities of the S.B.M.S. are welcome to attend on Tuesdays and Wednesdays between 9am-1pm. at the rear of Wirraminna Little Shop of Treasures on Queen Street, Williamstown.

Any enquiries relating the shed, membership or the hire of the meeting room (attached to the workshop) can be directed to Glen Venning on 0409 675 937.

ROAR BAROSSA

"The Barossa
Council
Community
Event of the
Year 2021"

The ROAR Barossa committee has had to make the unfortunate decision to cancel our event for 2023.

Due to long awaited maintenance works on the Warren reservoir, the water level is currently lower than we anticipated even with the recent diligent pumping by SA Water.

We have undertaken a risk assessment and have decided that at this point of time running the event with water levels this low would be unsafe for competitors.

We are disappointed to have to make this decision to cancel this year's event, but we look forward to seeing you all " **ROAR in 2024.**"

Declutter and save

Embargoed until 4 October

The Barossa Council

Barossa residents can clean up and save money thanks to The Barossa Council's latest waste disposal incentive.

Following the success of this year's "Declutter and Save" initiative, a limited number of hard waste vouchers, which can also be used to dispose of green waste, are being made available on a first in first served basis from 4 October to 30 November.

Mayor Bim Lange hopes it will encourage people to get rid of their rubbish responsibly.

"Most of us are looking to free up some space around the home, shed or garage, so this is a cost-effective solution that we're proud to offer our community," he said.

One voucher, valued at \$75, is available to residents and ratepayers per eligible property in both townships and rural areas.

Simply call Council on 8563 8444 to secure your voucher which can be used at either Springton Transfer Station, Eco Waste Solutions, the Yard Clean Up Man or KAND do it.

For domestic waste only, a range of materials are accepted depending on the vendor you redeem your voucher through.

Vouchers must be used by 9 December, and to make it a little easier, the Springton Transfer Station will be open extra days, including 28 October and 25 November.

Just note, only one service is available per financial year. So, if you choose to claim your voucher this time, you are ineligible for our next "Declutter and Save" promotion scheduled for early next year which will include a kerbside collection option.

Terms and conditions apply so please visit barossa.sa.gov.au/declutter-and-save

Tanunda residents, Federico Arias and Chelsea Broadhurst made good use of their Declutter and Save voucher last financial year and are looking forward to getting their hands on another this round.
